

LETTER TO US TRAVELLERS [INFORMAL]

Two weeks ago you received a letter from Pete and Dakota, two young American teenagers you became friends with on your last year's InterRail trip to Spain. This year they are planning to visit Austria on a backpacking trip. They want you to suggest some places of interest worth seeing.

In your **informal letter** you should:

- give a reason why you have not replied sooner
- ask for details about their trip (when, how long, etc.)
- suggest sights from Vienna and one province

Use at least **four phrases** from “Useful Phrases” [E-MAIL / LETTER INFORMAL] and underline them in your letter. Do not write any **postal addresses**. Write about **250 words**.
